AMERICAN SIGN LANGUAGE · THE ASL ALPHABET · GRADES K–5

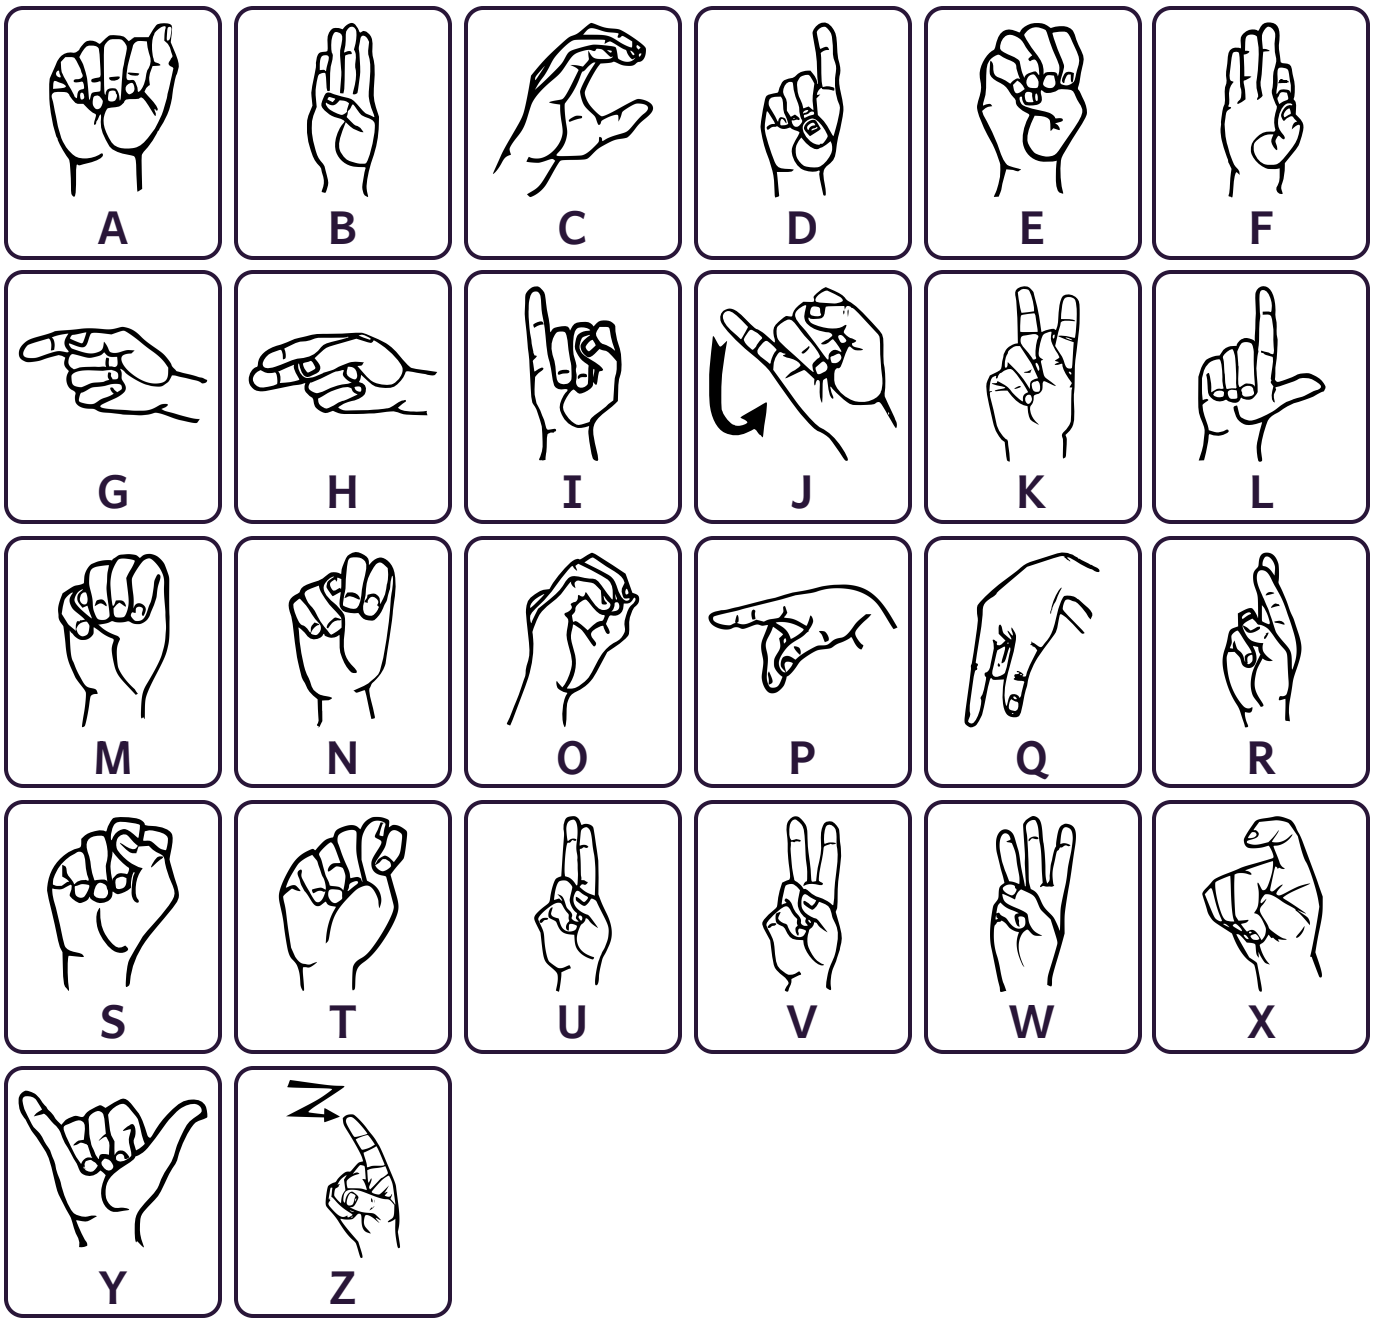

ASL Alphabet Chart

All 26 letters of the ASL fingerspelling alphabet on one page. Hang it up or keep it in a folder.

Name: _____ **Date:** _____

Each picture shows the handshape for one letter, made with the right hand. Left-handed signers use the left hand. Hold your hand up near your shoulder with your palm facing out for most letters. **J** and **Z** move: follow the arrows.
