Letters Before and After

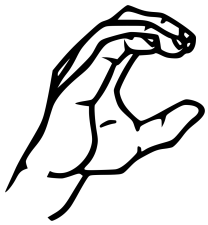

Name each handshape. Write the letter that comes just before it and just after it in the alphabet.

Name: _____ **Date:** _____

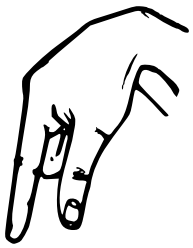

Say the alphabet out loud if you need help: the letter **before** comes just ahead of it, and the letter **after** comes next.

Write the letter before and the letter after each handshape.

ANSWER KEY · MORE FINGERSPELLING PRACTICE · GRADES 1–2

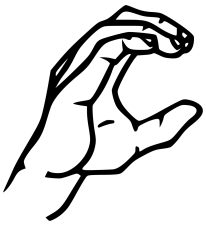

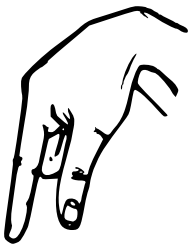

Answer Key: Letters Before and After

Answers for grown-ups. Where kids write their own ideas, the key shows one example.

Say the alphabet out loud if you need help: the letter **before** comes just ahead of it, and the letter **after** comes next.

Write the letter before and the letter after each handshape.
