SCAVENGER HUNTS · GRADES 1–2

Counting Scavenger Hunt

Guess first! Then count each thing in the room with tally marks and write the total.

Name: _____ **Date:** _____

Count the…	My guess	Tally marks	Total
windows			
doors			
chairs			
clocks			
tables			
computers			
flags			
trash cans			

Make tally marks as you count: four lines, then a fifth line across makes a group of 5.
