SCAVENGER HUNTS · GRADES 3–5

Fractions Scavenger Hunt

Find each one in the classroom or the school. Write what you found, draw it and shade the fraction.

Name: _____ **Date:** _____

Find...	What I found	Draw it and shade the fraction
something cut in half		
something in 4 equal parts		
a window with equal panes		
something folded in half		
a group where half are one color		
a clock: shade a quarter hour		
a ruler or cup with fractions on it		
a group where 1/3 are one kind		

Equal parts are the same size. Halves are 2 equal parts, thirds are 3 and fourths are 4.
