SCAVENGER HUNTS · GRADES 2–3

Math in the Classroom Scavenger Hunt

Find each thing in the classroom. Write what you found and one number fact about it.

Name: _____ **Date:** _____

Find…	What I found	The math
something that comes in pairs		
something with 4 corners		
something with a number on it		
something shaped like a circle		
a group you can count by 2s		
something longer than your pencil		
something shorter than your finger		
a group of 10 things		

In the math column, write a number fact about it: 2 shoes make 1 pair, a book has 4 corners, 10 crayons in a box.
