# Answer Key: Spot the Unexpected Choices

**Read about Jake and Priya's lunch. Look for the unexpected choices, then answer the questions.**

**Lunch on Tuesday**

- Jake cut in front of three kids in the lunch line.
- He sat with Priya, who shared her grapes with him.
- Jake threw his milk carton at the trash can, missed and left it on the floor.
- When the bell rang, Priya pushed in her chair and waved goodbye.
- Jake ran down the hallway to be first at recess.

1. **How many unexpected choices did Jake make?** 3

2. **Name one expected choice Priya made.**
   She shared her grapes, pushed in her chair or waved goodbye.

3. **What should Jake do about the milk carton?**
   Pick it up and put it in the trash.

4. **What should Jake do in the hallway next time?**
   Walk, and stay with the class.

5. **Write an expected choice for Jake in the lunch line.**
   Wait his turn at the back of the line.
