Table Group Job Cards

Print, cut and give each table the roles it needs (four for a group of four). Rotate the cards every week so each student tries every role.

Teacher: _____ **Week of:** _____

Materials Manager

Gets the supplies for the table and puts them back. Checks that the table is clean at the end.

Reporter

Shares the group's ideas with the class. Says: "Our group thinks..."

Timekeeper

Watches the clock and tells the group how much time is left. Says: "Five minutes to go!"

Encourager

Makes sure everyone gets a turn. Says: "What do you think?" and "Great idea!"

Recorder

Writes down the group's ideas and answers neatly so everyone can read them.

Checker

Checks that everyone understands and agrees before the group moves on. Says: "Does everyone get it?"

Questioner

Asks the group questions to dig deeper. Says: "Why do we think that?" and "How do we know?"

Peacekeeper

Helps the group solve small problems kindly. Says: "Let's take turns" and "Let's try both ideas."
