Voice Level Chart

Post this chart where everyone can see it. Point to a number before each activity so students know how loud to be.

Class: _____ **Teacher:** _____

Voice level	It sounds like...	We use it for...
0 Silent	No sound at all, like a library.	Tests, fire drills and walking in the hallway.
1 Whisper	Only the person next to me can hear.	Partner reading and asking a neighbor for help.
2 Table talk	Only my group can hear me.	Group work, centers and art time.
3 Presenter	The whole class can hear me clearly.	Sharing, answering a question and reading aloud.
4 Outside	Loud and strong.	Recess, PE and cheering at a game.

In our class, we use level 0 when...

In our class, we use level 2 when...
