FOR TEACHERS · K–2ND GRADE · MORNING MEETING · 2 OF 5

A Week of Morning Meetings: K to 2nd Grade

Five ready-made meetings. Sit in a circle so everyone can see everyone.

Teacher: _____ **Week of:** _____

	Greeting	Share	Activity	Message
Monday	Wave and name: each child waves and says "Good morning, ___!" to the friend next to them.	Something fun you did this weekend.	Simon Says, using only kind and calm moves.	Good morning! This week we will learn something new. What do you hope it is?
Tuesday	High-five greeting around the circle, then a silent high five back.	Your favorite animal and one reason why.	Animal charades: act out an animal, friends guess.	Today is Tuesday. Draw a tally mark for each friend who is here today.
Wednesday	Elbow bump: "Good morning, ___. I'm glad you're here."	One thing that makes you happy.	Pass the clap: send a clap around the circle, then go faster.	What makes a good friend? Write or draw one idea.
Thursday	Greet a friend in another language: hola, bonjour, ciao, konnichiwa.	A food you would like to try.	I spy something in our room that is...	Count the vowels in this message. How many did you find?
Friday	Silly voice greeting: say good morning like a robot, a mouse or a giant.	Your favorite thing we did this week.	Freeze dance: dance to music, freeze when it stops.	We did it! Name one thing you learned this week.

Tips

- **Keep it short:** about 15 minutes for little ones.
- Let children pass when it is their turn to share; come back to them at the end.
- Read the message together and point to each word.
