Write Your Own Melody

Write a melody of eight measures using the notes C, D, E, F and G, then give your song a name.

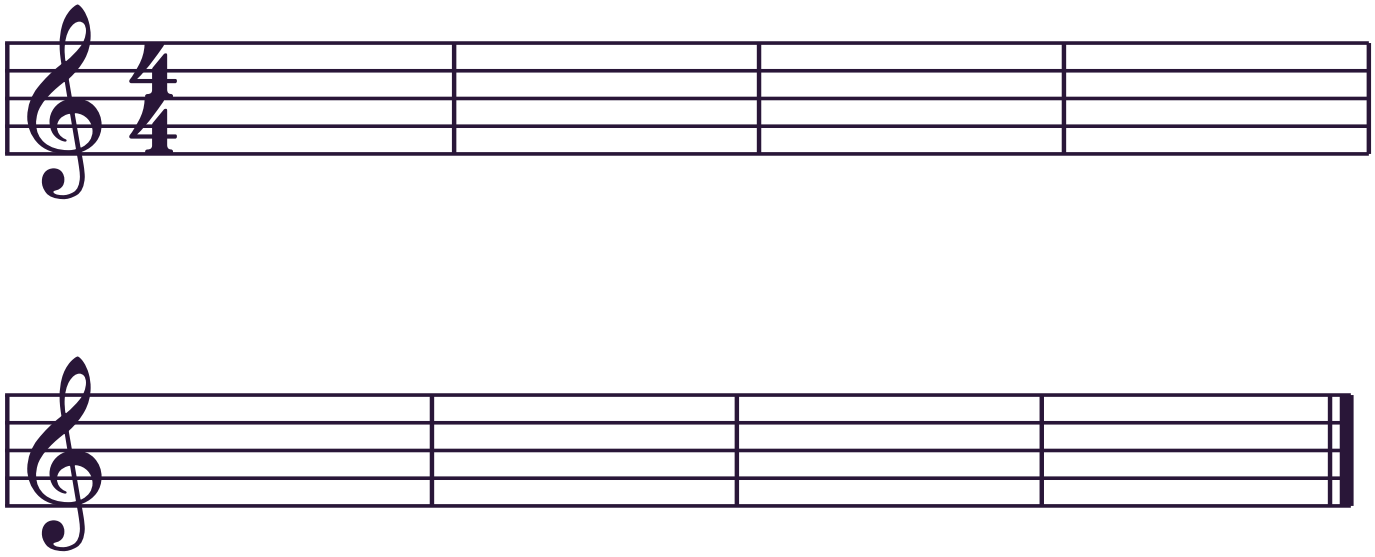

Name: _____ **Date:** _____

Your five notes:

Use quarter notes (1 beat), half notes (2 beats) and whole notes (4 beats). Every measure needs **4 beats**. Try ending on **C** so your song sounds finished.

Write your melody.

My song is called _____

Circle when done:

- 4 beats in every measure
- I used at least 3 different notes
- I sang or played it
