Energy Hunt at Home

Find the things that use electricity in each room at home and plan how your family could use less.

Name: _____ **Date:** _____

List the things that use electricity in each room.

Room	Things that use electricity	How could we use less?
Kitchen		
Living room		
Bedroom		
Bathroom		
Garage or yard		

Things I found in all _____ **Room with the most** _____

Our family plan to save energy:

1. _____
2. _____
3. _____
