SCIENCE · OCEANS · GRADES 1–4

Help the Ocean

Color the choices that help the ocean and put an X on the ones that hurt it, then plan how your class can help.

Name: _____ **Date:** _____

Color the choices that help the ocean. Put an X on the ones that hurt it.

pick up trash at the beach	let balloons float away	use a water bottle you can refill
leave trash on the sand	recycle cans and bottles	throw old fishing line in the water
bring a cloth bag to the store	pour paint down a storm drain	leave shells and sea animals where you find them
stand on coral when you snorkel	say no to a plastic straw	drop plastic bags outside

One way my class can help the ocean:

_____

_____
