SCIENCE · MAGNETS · GRADES K–2

Magnet Hunt

Walk around with a magnet and list five things it sticks to, five it does not and five to test.

Name: _____ **Date:** _____

Take a magnet for a walk around the room. Touch it gently to things and write what you find. Stay away from computers, phones and TVs.

Sticks	Does not stick	Not sure: test it!
1.	1.	1.
2.	2.	2.
3.	3.	3.
4.	4.	4.
5.	5.	5.

The most surprising thing I found:

_____
