Save Water at Home

Tally how often you use water in a day, write one way to save it each time, then make a family plan.

Name: _____ **Date:** _____

Make a tally mark every time you use water today. Then think of one way to use a little less each time.

How I used water	Tally marks	Total	One way to save water
Brushing teeth			
Shower or bath			
Washing hands			
Drinking			
Flushing			
Other			

Our family water-saving plan:
