SCIENCE · PLANT LIFE CYCLE · GRADES K–2

What Do Plants Need?

Color the five things a plant needs to grow, then predict what happens to a plant with no water.

Name: _____ **Date:** _____

Color the 5 things a plant needs to grow. Put an X on the others.

sunlight	candy	water	a toy car
shoes	air	a pillow	soil
a TV	space to grow	a book	a hat

Draw a plant that gets water every day.

Draw a plant that gets no water for two weeks.

What do you think happens to the plant with no water?
