SEL · PROBLEM SOLVING AND DECISIONS · GRADES 2–5

What Would You Do? Cards

Nine cut-apart problem cards, like finding $5 or being dared to climb the fence. Pick one and talk through what you would do.

Name: _____ **Date:** _____

How to play: cut the cards apart and put them face down. Take turns picking a card, reading it out loud and telling what you would do. Stop, think, then choose!

✂ Cut on the dashed lines.

Lost! You can't find your group on a field trip.	**Spill!** You knock paint onto a friend's picture.	**Found!** You find $5 on the playground.
Dare! A friend dares you to climb the school fence.	**Oops!** You break a dish when no one is looking.	**Left out!** Your friends start a game without you.
Stuck! You don't understand the homework.	**Copy?** A friend asks to copy your test answers.	**Teasing!** Kids are making fun of a classmate.
