SIGHT WORD ACTIVITY · 1ST GRADE · SET 2 · STORY HUNT

Sight Word Story Hunt

Read the story. Circle every “there”, “that”, “walk” and “with”. Count how many you found!

Name: _____ **Date:** _____

Read the story. Circle the words.

There is a robot that likes to walk. “Where are you going?” I ask. “I want to walk with you,” says the robot. “I think that is a good plan!” We walk out to the park. There are ducks there. The robot likes that.

How many did you find?

there ☐ **that** ☐ **walk** ☐ **with** ☐

Draw the story
