Ancient Times: Which Came First?

Read each pair of events from long ago. Circle the one that happened first.

Name: _____ **Date:** _____

1.	King Tut rules Egypt	or	The pyramids of Giza are built
2.	Stonehenge's big stones are raised	or	The first Olympic Games in Greece
3.	Vikings reach North America	or	The Colosseum opens in Rome
4.	Machu Picchu is built in Peru	or	The Mona Lisa is painted
5.	William Shakespeare is born	or	Gutenberg builds his printing press
6.	Jamestown is founded in Virginia	or	Ben Franklin flies his kite in a storm

- BC years count down to year 1. So 2560 BC came before 1332 BC, and both came before AD 80.

Which pair surprised you? Why?
