Read and Draw: Asia

Read the facts about Asia. Draw something you learned, then answer the questions.

Name: _____ **Date:** _____

Facts

- Asia is the biggest continent. More people live in Asia than on all the other continents put together.
- China and India each have more than 1.4 billion people.
- Mount Everest, on the border of Nepal and China, is the tallest mountain on Earth: 29,032 feet above the sea.
- The Great Wall of China is thousands of miles long. People built it over hundreds of years.
- Giant pandas live in the wild only in the mountains of China.

Draw an animal or a place in Asia

1. **What is the biggest continent?**

2. **What is the tallest mountain on Earth?**

3. **Where do giant pandas live in the wild?**
