From Farm to Table: Bread

How does bread get to your table? Number the steps 1 to 6 in the right order, then write them on the timeline.

Name: _____ **Date:** _____

- ◯ A baker mixes the flour and bakes bread.
- ◯ A mill grinds the wheat into flour.
- ◯ The farmer harvests the wheat.
- ◯ A store sells the bread to your family.
- ◯ The wheat grows tall and turns gold.
- ◯ A farmer plants wheat seeds.

The steps in order

1st _____ 2nd _____ 3rd _____ 4th _____ 5th _____ 6th _____

How many different workers helped make the bread? Who were they?
