Inventions: Put Them in Order

Read the inventions and their years. Number them 1 to 6 from oldest to newest, then write them on the timeline.

Name: _____ **Date:** _____

- ◯ **1973** The first call on a handheld cell phone
- ◯ **1927** Television
- ◯ **1989** The World Wide Web
- ◯ **1440** The printing press
- ◯ **1876** The telephone
- ◯ **1879** The light bulb

Write the inventions in order

1st _____

2nd _____

3rd _____

4th _____

5th _____

6th _____

Which invention would be hardest to live without? Why?

_____

_____

_____
