Inventors and Their Inventions

Draw a line from each inventor to what they invented.

Name: _____ Date: _____

Inventor	Invention
Thomas Edison	Hundreds of ways to use peanuts
Alexander Graham Bell	A long-lasting light bulb (1879)
The Wright brothers	The lightning rod and bifocal glasses
Benjamin Franklin	The first airplane flight with a pilot (1903)
George Washington Carver	The telephone (1876)
Garrett Morgan	A traffic signal that stops all cars (1923)
Mary Anderson	Windshield wipers for cars (1903)

If I could invent anything, I would invent...
