Every Home Is a Shelter

Everyone needs a home, but homes look different around the world. Draw a line from each home to what it is like.

Name: _____ **Date:** _____

Home	What it is like
Houseboat	A home built from tree trunks
Stilt house	A home that floats on a river or a lake
Apartment	Many homes stacked up in one tall building
Yurt	A home built up high on poles, where water can flood
Log cabin	A round tent in Mongolia that can be packed up and moved
Adobe house	A home of thick mud bricks that stays cool where it is hot and dry

Draw your home

How does your home keep you safe and warm?
