Producers and Consumers

A producer makes or grows something. A consumer buys or uses it. Circle P for producer or C for consumer.

Name: _____ **Date:** _____

1. A farmer grows corn.	P C	7. An artist paints a picture to sell.	P C
2. You buy an apple.	P C	8. A girl pays for a haircut.	P C
3. A baker bakes bread.	P C	9. A fisher catches fish to sell.	P C
4. A family eats at a restaurant.	P C	10. A boy orders a pizza.	P C
5. A carpenter builds a chair.	P C	11. A tailor sews a shirt.	P C
6. A kid buys a toy.	P C	12. A dad buys gas for the car.	P C

P = producer **C** = consumer

When are you a producer? When are you a consumer?
