Not Enough for Everyone

When there is not enough of something for everyone, that is called scarcity. Read each problem and decide what to do.

Name: _____ **Date:** _____

Scarcity

- Scarcity means there is not enough of something for everyone who wants it.
- When something is scarce, people have to make choices, like taking turns or sharing.

1. **6 kids want to use 3 swings at recess. What could they do?**

_____

2. **There is one cookie left and two friends want it. What is a fair choice?**

_____

3. **The class has 10 markers and 20 kids. What could the teacher do?**

_____

4. **The store has only 1 red bike left and 2 families want it. What could happen?**

_____

Draw kids sharing something fairly.
