Read and Draw: South America

Read the facts about South America. Draw something you learned, then answer the questions.

Name: _____ **Date:** _____

Facts

- South America has 12 countries. Brazil is the biggest, and people there speak Portuguese.
- The Amazon is the biggest rain forest in the world. Jaguars, sloths, toucans and poison dart frogs live there.
- The Amazon River carries more water than any other river on Earth.
- The Andes are the longest mountain range on land. They run down the whole west side of the continent.
- Angel Falls, in Venezuela, is the tallest waterfall in the world: 3,212 feet.

Draw an animal or a place in South America

1. **What is the biggest rain forest in the world?**

2. **What language do people in Brazil speak?**

3. **What is the tallest waterfall in the world?**
