Read and Draw: The Statue of Liberty

Read the facts. Draw the Statue of Liberty. Then answer the questions.

Name: _____ **Date:** _____

Facts

- The Statue of Liberty stands on Liberty Island in New York Harbor.
- She was a gift from the people of France. She was finished in 1886.
- She holds a torch in her right hand and a tablet in her left hand.
- Her crown has 7 points, called rays.
- She is made of copper. Copper turns green over time, so she changed from brown to green!

Draw the Statue of Liberty

1. **Who gave the statue to the United States?**

2. **What does she hold in her right hand?**

3. **Why is she green?**
