The Great Lakes

Read the facts about the five Great Lakes, then answer the questions.

Name: _____ **Date:** _____

Facts

- The five Great Lakes are Huron, Ontario, Michigan, Erie and Superior. The word HOMES helps you remember them.
- Lake Superior is the biggest. No freshwater lake in the world covers more area.
- Lake Michigan is the only Great Lake that is all inside the United States. The other four are shared with Canada.
- 8 states touch the Great Lakes: Minnesota, Wisconsin, Illinois, Indiana, Michigan, Ohio, Pennsylvania and New York.
- Niagara Falls is on the river that flows from Lake Erie to Lake Ontario.

1. **Which Great Lake is the biggest?**
