Three Generations

Ask a parent and a grandparent (or older family friends) when they were born and one thing that happened when they were your age. Put all three of you on the timeline.

Name: _____ **Date:** _____

My family

	Born in	When they were my age...
My grandparent		
My parent		
Me		

Oldest to youngest

Grandparent born	Parent born	I was born	Today

Something that is the same for all three of us... Something that is different...
