Read and Draw: The White House

Read the facts about the White House. Draw it, then answer the questions.

Name: _____ **Date:** _____

Facts

- The White House is at 1600 Pennsylvania Avenue in Washington, D.C. The President lives and works there.
- John Adams was the first President to live there, in 1800. George Washington never lived in it.
- It has 132 rooms and 35 bathrooms.
- The President's office is called the Oval Office because the room is shaped like an oval.
- In 1901, President Theodore Roosevelt made "the White House" its official name.

Draw the White House

1. **Who was the first President to live in the White House?**

2. **How many rooms does it have?**

3. **What is the President's office called?**
