Days of the Week in Spanish

Match the seven days from lunes to domingo, then fill in the missing days and write what day it is today.

Name: _____ **Date:** _____

In Spanish the week starts on **lunes** (Monday), and the days do not start with a capital letter.

Draw a line from each day to its English name.

lunes ●	● Thursday
martes ●	● Sunday
miércoles ●	● Monday
jueves ●	● Saturday
viernes ●	● Wednesday
sábado ●	● Friday
domingo ●	● Tuesday

Write the missing day.

1. lunes, _____, miércoles
2. jueves, _____, sábado
3. sábado, _____
4. Hoy es _____.

Answer key · El calendario y el tiempo · Grades 1–3

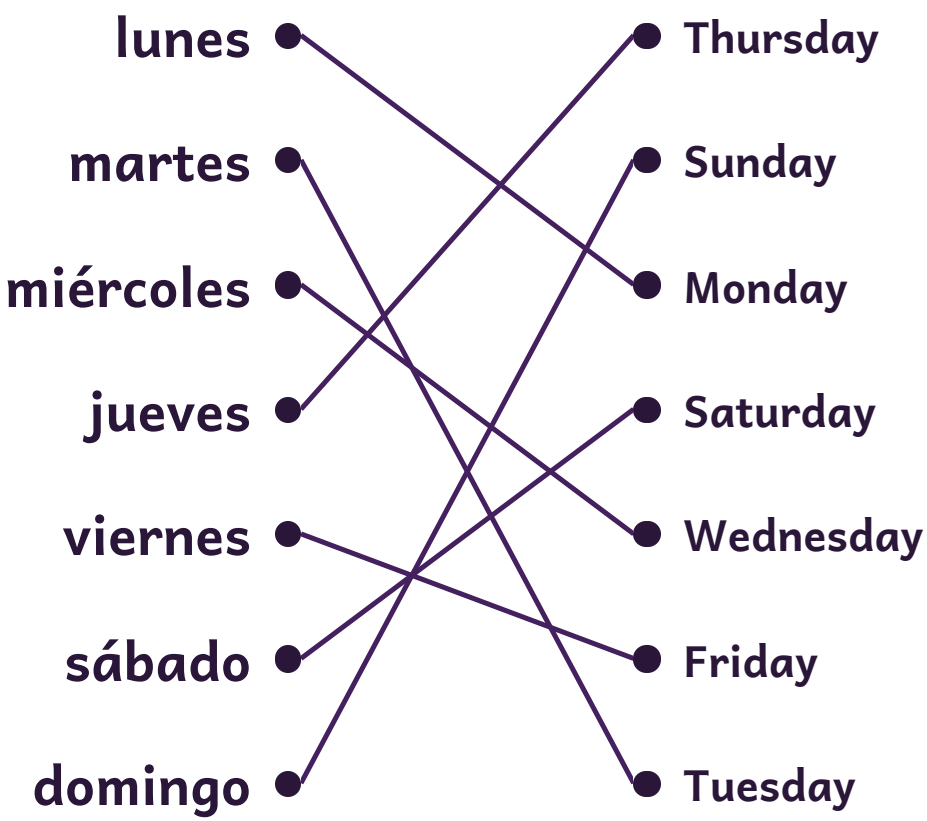

Answer Key: Days of the Week in Spanish

Answers for grown-ups. Where kids write about themselves, the line is left blank or the key shows one example.

In Spanish the week starts on **lunes** (Monday), and the days do not start with a capital letter.

Draw a line from each day to its English name.

Write the missing day.

1. lunes, **martes**, miércoles
2. jueves, **viernes**, sábado
3. sábado, **domingo**
4. Hoy es _____.
