When There Is a Fire Drill

Read the story before the next fire drill. Read it again after.

Name: _____ **Date:** _____

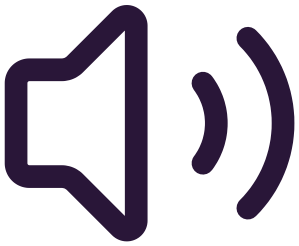

1

Sometimes my school has a fire drill. A drill is practice to keep us safe.

2

The alarm is very loud. I can cover my ears if I need to.

3

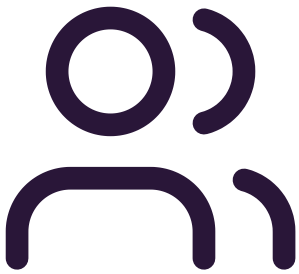

I stop what I am doing. I walk to the line with my class.

4

We walk outside together. My teacher shows us where to go.

5

We wait quietly so my teacher can count us.

6

When the drill is over, we walk back inside. I did it!
