Waiting My Turn

Read the story with a grown-up. Then draw yourself waiting.

Name: _____ **Date:** _____

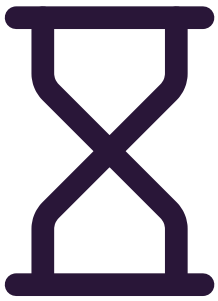

1

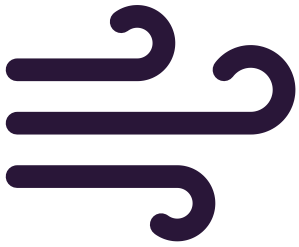

At school, my friends and I take turns. Taking turns is fair.

2

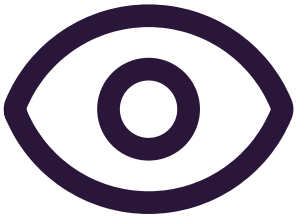

Sometimes I have to wait for my turn. Waiting can feel hard.

3

While I wait, I can take a slow breath and count to 10.

4

I can watch my friend have a turn. I keep my hands to myself.

5

Then it is my turn! Waiting helps everyone get a turn.

6

Draw me waiting for my turn.
