

Magic Square

Make every line add up to 15. Use each number 1 to 9 only once!

Name: _____ Date: _____

Every row, column and diagonal = 15

2		6
	5	
4		8

My number checks

Row 1: _____

Column 2: _____

Diagonal: _____

Row 3: _____

Numbers left to place: 1, 3, 7, 9. The trick I used:

Draw a magic creature that guards the square
