

# Where Do the Eyes Go?

Here's a secret: eyes sit halfway down your head!

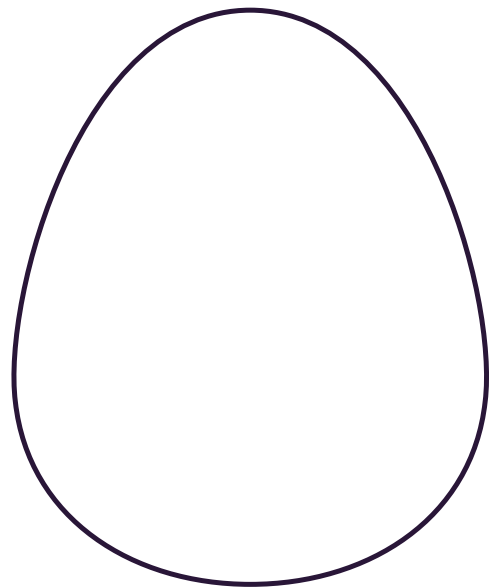

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Practice: draw a line halfway down for the eyes**

**Now draw a whole face**

**Did I...**

- ☐ put eyes halfway down    ☐ leave one eye-width between eyes  
☐ put the nose between eyes and chin    ☐ line up ears with the eyes

**What surprised me about faces:**
