Answer the Other Side

Strong opinion writers answer the other side. Read what some people say, then write why you still disagree.

Name: _____ **Date:** _____

Example

- Some people think homework is boring. However, homework helps us practice what we learned.

Some people think kids should not have phones. However,

Some people think school uniforms are a good idea. However,

Some people think zoos are bad for animals. However,

Pick your own opinion. Write what the other side says, and answer it.
