Edit for Subject–Verb Agreement

The subject and verb in a sentence have to match. This paragraph has 6 verbs that do not match. Fix each one.

Name: _____ **Date:** _____

Tip

- Find who or what the sentence is about. One thing: he likes. More than one: they like.

My brother and I likes to build forts. We uses blankets and chairs. Our dog always try to get inside. The pillows is soft and comfy. Mom say we can keep it up until dinner. Building forts are the best!

Copy the paragraph with every verb fixed.
