Magic c Letters: c, a, d, g, o and q

These letters all start with a magic c. Start at the top, curve back around, then finish the letter. Trace each row.

Name: _____ **Date:** _____

How to make a magic c letter

- Start just under the dashed line. Curve up, back and around like a c.
- For a, d, g and q, go back up and add a line. For o, close the circle.

Trace each row. Then write the letters on the line below.

c c c a a a

d d d g g g

o o o q q q

cat dog cod
