Straight Line Letters: l, i, t, k, v, w, x and z

These letters are made only of straight lines. Pull down, slant and cross. Trace each row.

Name: _____ **Date:** _____

Tips

- l, i and t: pull straight down. Dot the i and cross the t at the dashed line.
- k, v, w, x and z: slant your lines. Keep v, w, x and z under the dashed line.

Trace each row. Then write the letters on the line below.

l l i i t t

k k v v w w

x x z z x z
