Turn Notes into a Paragraph

Writers take short notes, then turn them into full sentences. Use these notes to write a paragraph about honeybees.

Name: _____ **Date:** _____

Notes: Honeybees

- live together in hives
- make honey from flower nectar
- dance to show where flowers are
- carry pollen that helps plants grow

Try these

Did you know | **First,** | **Also,** | **Another fact is** | **As you can see,**

My paragraph

Honeybees are amazing insects.
