Two Points of View

The same event can feel very different to two characters. Check an event, plan both sides, then tell it as one of them.

Name: _____ **Date:** _____

Pick an event

- ☐ **A dog chases a cat up a tree.**
- ☐ **A kid finds a frog in the lunchbox.**
- ☐ **A ball breaks a window.**
- ☐ **A baby bird falls out of its nest.**

Character 1: What did they see? How did they feel?

Character 2: What did they see? How did they feel?

Tell it as one of them. Use I.
